Financing Fertility

Dealing with infertility is stressful, and financial concerns don't help. In this video Dr. Brayboy offers tips and tools to make that part of the process easier.

Easing the pay-n

Immeasurable Joy Follows Heartbreak

After too many setbacks, Cedar & Daniel trekked to WIFC to meet Dr. Victoria, who easily identified the cause of their problems.

IUI success

Local Convenience, High-Quality Care

Why go out of town? Our fertility clinic is part of one of the country's top research hospitals, and has the only IVF lab in Rhode Island.

Excellence at home

Victoria Snegovskikh, MD

"I like to keep it simple for patients so that they feel comfortable with the procedure they choose and can better understand what can be a complicated process."
