National Infertility Awareness Week

#InfertilityUncovered

This National Infertility Awareness Week is focused on shining a light on the many obstacles preventing people from getting fertility treatment, mainly cost.

Our Compassionate Gift Program – the first of its kind in the country – allows donors to support the greatest gift of all: a chance to have a child.

Removing barriers

Uncovered: Insurance

Poor insurance coverage is one of the most prohibitive aspects of infertility treatment. Dr. Brayboy tells how to make working with insurance companies as painless as possible.

Uncovered: Not Alone

"You don't realize how many people are facing infertility until you are going through it yourself," says Heather. Her infertility struggles opened her eyes to just how many people are on the same journey.
